**Adoption terms and conditions**

The minimum age for adopting a dog is 18 years.

All residents of the home must agree to adopting the pet.

You must agree to a home check before adopting the animal.

Dogs must not be left alone over night.

If you rent your home you must provide written consent from your landlord, housing association or council stating you may keep animals on the premises.

A dog must not be kept outside while the home is empty or when the occupants go to bed at night, regardless of the provisions of a kennel or run.

For dogs all homes must have an outside space for toileting.

Any dog offered for adoption must be neutered. We will ensure this is done by ourselves before adoption.

New owners must give the pet a reasonable amount of time to settle and adjust to their new life, imagine how it is for us to move house and meet new people, it is a very stressful time for dogs and this can cause some dogs to go backwards on training e.g some dogs who are house trained may have accidents, please be patient. We also provide an advice sheet about rehoming a rescue dog.

If you are unable to keep the pet it must be returned to Animal Rescue Centre- Arbroath, you must not sell, pass on or breed from this pet.

The minimum adoption donation is £200 which contributes to the cost of neutering, vaccinations, worming and flea treatment.

We reserve the right to remove the dog if we feel its needs are not being properly met.

All personal data is kept and processed in accordance with the data protection act 1998

I have read and agreed to the rehoming terms and conditions. I understand that my details will be held on the charity's database and will be treated confidentially under the terms of the Data Protection Act.
